ORAL RINSE

ALL-NATURAL
ANTIBACTERIAL
w/ Stabilized
Chlorine Dioxide

Still wondering how to avoid bad morning breath? Discover DURAFRESH ORAL RINSE. A cool, refreshing, alcohol-free, and sugar-free oral rinse with Stabilized Chlorine Dioxide (ClO₂). Unlike traditional products that just mask bad breath, Durafresh eliminates bad breath at the source. Through the power of Stabilized ClO₂, Durafresh effectively oxidizes and helps to destroy the bad bacteria that causes bad breath. Durafresh redefines oral care by **safely** harnessing the natural cleansing power of oxygen. After flossing and brushing, rinse with Durafresh Oral Rinse for 60 seconds. To experience that great Durafresh breath in the morning, make rinsing with Durafresh your last step before sleeping. Used & recommended by dental professionals around the world for home and chairside applications. For best results, use with Durafresh Toothpaste. Available in 34, 16, 8.5 and 4 fl. oz. (997, 480, 250 and 120 ml.) bottles. **Ingredients:** Deionized Water, Stabilized Chlorine Dioxide (ClO₂), Natural Peppermint.

Also Available: Toothpaste, Breath Spray, Deodorant, Multipurpose Gel & Hand Sanitizer
