BREATH SPRAY

ALL-NATURAL
ANTIBACTERIAL
w/ Stabilized
Chlorine Dioxide

For hours of fresh breath on the road, discover DURAFRESH BREATH SPRAY. When you feel the need to freshen your breath, but do not want to use ordinary breath sprays, mints and chewing gum knowing that they simply rely on strong mint flavors to mask bad breath, count on the fast-acting freshness of Durafresh Breath Spray. It is a refreshing alcohol-free, and sugar-free breath spray that efficiently aids in destroying odor-causing compounds in your mouth that cause bad breath. The active ingredient used in the Durafresh Breath Spray is Stabilized Chlorine Dioxide (ClO_2) - a non-toxic but potent antibacterial. It is so effective and safe that it can get rid of foul-smelling garlic, coffee, and cigarette breath within seconds. Durafresh redefines oral care by **safely** harnessing the natural cleansing power of oxygen. Available in .5 & 1 oz. (15 & 29 ml) spray bottles. **Ingredients:** Deionized Water, Stabilized Chlorine Dioxide (ClO_2), Natural Flavor.

Also Available: Oral Rinse, Toothpaste, Deodorant, Multipurpose Gel & Hand Sanitizer
