

Bye-Bye Oral Sores & Blisters!

durafresh™ 

MULTI-PURPOSE GEL

ALL-NATURAL
GENTLE PROTECTION
w/ Stabilized
Chlorine Dioxide

Discover DURAFRESH MULTIPURPOSE GEL. An All-Natural antibacterial product recommended for soothing, healing and concentrated deodorizing. It is also a volatile sulfur compound-free environment for the following: All Orthodontic Patients, Tissue irritated during crown preparations, Hyperemia around crowns, Denture sores, Pericoronitis, Viral Ulceration, Fever blisters, Hyperemia under removable partials and dentures, Angular cheilitis, Oral Candidiasis, Thrush and other yeast problems, Controls yeast build-up on dentures and soft-liners, Furcation inflammation & exudate, Post-surgical procedures, Periodontal surgery, Used in a tray as an alternative to periodontal pack, Does not cause granulation tissue formation as hydrogen peroxide does extractions, Does not release free oxygen as hydrogen peroxide does and therefore will not dislodge the clot. Available in .33 oz. (10 ml) squeeze bottles. **Ingredients:** Deionized Water, Carbomer 940, Stabilized Chlorine Dioxide (ClO₂), Aloe Vera Extract, Sodium Hydroxide.

Also Available: Oral Rinse, Toothpaste, Deodorant, Breath Spray and Hand Sanitizer
