PROFESSIONAL TOOTHPASTE

ALL-NATURAL
BREATH FRESHENING
w/ Aloe Vera, Baking
Soda & Stabilized
Chlorine Dioxide

The only 5-in-1 toothpaste in the market today! Safe to use everyday just like a regular toothpaste. Contains no gritty abrasives or carbamide peroxide that might destroy enamel. This is the only existing toothpaste that does not contain sweeteners. It cleanses, freshens, whitens, smoothens & effectively helps to disinfect. It's gentle even for sensitive teeth. Through the power of Stabilized Chlorine Dioxide (ClO₂), Durafresh effectively oxidizes & helps to destroy bad bacteria in the mouth. Durafresh redefines oral care by **safely** harnessing the natural cleansing & whitening power of oxygen. Brush your teeth with Durafresh Toothpaste, then gargle with Durafresh Oral Rinse for optimum results & no more morning bad breath. In less than 2 weeks you will have a healthy mouth! Used & recommended by dental professionals around the world for home & chairside applications. Available in 6 & 2 oz. (176 & 60 gr.) tubes. **Ingredients:** Calcium Carbonate, Glycerin, Deionized Water, Aloe Vera, Sodium Bicarbonate, Disodium Cocoamphodiacetate, Magnesium Aluminum Silicate, Stabilized Chlorine Dioxide (ClO₂), Cellulose Gum, Methylparaben, Propylparaben, Natural Flavor.

Also Available: Oral Rinse, Breath Spray, Deodorant, Multipurpose Gel & Hand Sanitizer
